Students of the Khalsa College of Engineering and Technology, Amritsar bagged third position along with cash prize of Rs.20,000/- in Tap-B plan competition, in which they presented their innovative business ideas and technologies to academicians, entrepreneurs and industrialists from all over India for Business Start Ups. This event was jointly organized by TIE (The Indus Entrepreneurs) Chandigarh and IKGPTU Kapurthala and 150 teams from different colleges of Punjab participated in the event. A team comprising of four students, namely Amritpal Singh, Anureet Kaur, Jaskirat Singh and Neha; all from Computer Science and Engineering department, Sem 6th, presented the start up idea named “Alcohol Detection System”. Students developed this idea with the help of their team coordinator Er. Prabhdeep Singh (Assistant Professor, CSE).
