

Another feather in the cap of Khalsa College of Engineering and Technology was added when the 6 students of B.Tech (CSE & ECE) were selected by Q-SPIDER (Bangalore) which is the world top notch software testing skills organizations at a reverent package of upto 9 lakhs.

This company has different offices located in Pune, Noida , Delhi, USA and UK. Among the selected students were Jyoti and Rimpny Sharma both from B. Tech CSE- Sem 8th; Kulwinder Singh and Rajandeep Singh both from B. Tech ECE- Sem 8th; Navpreet Kaur and Neha of B. Tech CSE- Sem 6th.

Dr. Manju Bala, Director, Khalsa College of Engineering and Technology said that it is matter of pride and results of hard work of faculty members and students that even in this time of pandemic when market job opportunities are falling down still our students got selected for this.
